

## Watch Towers Award

As from January 2010 Malta Amateur Radio League will be organising the Watch Towers award by activating watch towers which are situated in different locations around Malta and Gozo.

The suggested rules for obtaining the award are:

- Licensed Radio Amateurs and SWL stations may apply for the award
- Maltese Stations need to work 9 towers
- Europe Station need to work 5 towers
- Rest of the World need to work 3 towers
- The Award and log must be submitted to the Award Manger for verification.
- Bands : all bands
- Modes: all modes
- Submitted applications for Awards should include the log of the Worked Watch Tower Stations printed or emailed. Awards cost €10 for European Stations and €15 the rest of the world.

Other Notes:

- Logs by activators should be submitted in ADIF or Cabrillo.
- Send your comments and suggestions to 9h1xe by email or post in the suggestion box.
